

***FIRST* Scholarships**

In partnership with *FIRST*, the Engineering Department of Hofstra University has established a merit-based scholarship program to benefit high school seniors who have actively been involved on a competing *FIRST* team and who would like to attend Hofstra University. In order for the selected students to receive these scholarship awards, they must enroll as a full-time student in an undergraduate engineering or computer science program of study at Hofstra University.

Hofstra University will award 4 annual merit-based scholarships to active *FIRST* team members. These scholarships are valued at \$1,500 per year for four years of study to current high school seniors in the USA. Each student who applies for a scholarship must have a minimum SAT or ACT equivalent score of 1200 with a minimum high school grade point average of a 3.2. In addition, all applicants must achieve the requirements necessary for scholarship retention.

TO APPLY SUBMIT:
